

Cultivating a Culture of **LIFE**

TRAINING

If abortion became illegal today, the church wouldn't be ready.

– Amy Ford
Founder & President of Embrace Grace

LET'S GET READY.

Roe v. Wade has been overturned.
Now what? ZoeCare wants to equip the church with next steps in the post-Roe America.

In ZoeCare's *Cultivating a Culture of Life* training, you will learn about:

- The biblical view of intrinsic value
- U.S. and Montana abortion statistics since Roe v. Wade, 1973
- Abortion statistics in the Christian church
- The reasons women choose abortion
- What overturning Roe v. Wade means for abortion in the U.S. and Montana
- Mindset and behavior changes we can make to help lead women to life
- Our individual roles in ending abortion (everyone has a part to play and it may be different than you think)

This free 2 1/2 hour training is available to all churches and Christian groups. For more information, call ZoeCare at (406) 586-9444 or email safeharbor@gotozoe.org.
