Thank you for your interest in working at ZoeCare!

ZoeCare is a faith-based pregnancy clinic with the goal of equipping families and individuals to live well and value life abundantly. "Zoe" is Greek for "abundant, overflowing fullness of life and the highest blessedness of a creature". That is what we are after, that each person we serve would walk in the abundant life that Christ provides. If that is also your desire, we want to talk to you about joining our team.

Included in this packet are the job description, general employment application and ZoeCare's *Organizational Statements*. We require all of our employees and volunteers to agree to these statements. Please read them over carefully before proceeding with the application process.

To apply for employment at ZoeCare, please submit the following:

- Cover Letter expressing why you are interested in the position

- The enclosed application filled out in its entirety

- Your professional resume listing education, previous employment and three references

- The final page of the *Organizational Statements* signed and dated

Please email these documents to chris@gotozoe.org or mail or drop them off at ZoeCare's office:
